Report of Operative G T Purdy

New Brunswick, N.J.
Sept. 27th, 1926

Interview with: MRS. ROLOWITCH, 10 Maple St.

Operative went to the vicinity of Maple St. and Somerset St. and made inquiries in an effort to locate Mrs. Rolowitch, and located her at #10 Maple Street.

Operative interviewed her and asked if she has a woman named Mrs. Glynn working for her, and she replied that she has, but that she was off to-day as she had to attend a funeral. She suggested that Operative call to-morrow when he could see her, as she works for her from Monday to Thursday of each week. Operative then made an appointment to see Mrs. Glynn at 10 A.M. Tuesday, the 28th instant.

Respectfully submitted;

G.T.P.
